No. 7

TO THE INTERSTATE COMMERCE COMMISSION:

Re: ICC Recordation No. 5739

This is to inform you that this bank no longer has any security interest in the ten railroad cars marked and identified as CPBX No. 3600 to CBPX No. 3609 inclusive, which security interest was recorded with you on June 3, 1970 under recordation number 5739.

Will you kindly mark your records to show that this security interest has been released and that the debt from Cattle Car Leasing Co. to this bank, which was secured by such security interest, has been satisfied in full.

IN WITNESS WHEREOF, First Pennsylvania Bank, N.A., formerly known as The First Pennsylvania Banking and Trust Company, has caused this release of lien to be executed by an officer thereunto duly authorized this 15th day of April, 1981.
